Betting on Stable Challenge & Jockey Challenge

At most race meetings, especially when a race restricted to Mauritian riders is programmed, the number of jockeys riding is large, therefore the top ten jockeys according to premiership will be eligible to be bet on individually whilst all the other jockeys riding will have to be grouped and bet on collectively as number 11.

The following rules are applicable:

CHAPTER 1

JOCKEY CHALLENGE

General

The purpose of the Jockey Challenge is to define the jockey having collected the most jockey challenge points during a race day.

1.1.1 The following selections will be available:

- i. A Named Jockey is a jockey bearing no. 1 to 10 define by the Mauritius Turf Club at each race meeting.; or
- ii. Other Jockeys are all other jockeys riding on the day grouped together and assigned no. 11 ; whereby the results of each jockey forming part of this group will be individually taken into consideration in each race to define the number of points allocated

1.1.2 Subject to the following rules, Jockey Challenge points are assigned to the jockeys riding the 1st, 2nd, 3rd and 4th placed horses, as the case may be, in each race at a race meeting, as follows:

Jockey riding the horse placed 1 st	12 points
Jockey riding the horse placed 2 nd	6 points
Jockey riding the horse placed 3 rd	4 points
Jockey riding the horse placed 4 th	1 point

1.1.3 In the event of **Horses dead heating**, the Jockey Challenge Points to be assigned to the Jockeys riding the 1st, 2nd, 3rd and 4th placed horse, as in the case may be, shall be as follows:

	1 st	2 nd	3 rd	4 th
Dead-heat 1 st (2 horses)	9 each	N/A	4	1
Dead-heat 1 st (3 horses)	7.3 each	N/A	N/A	1
Dead-heat 2 nd (2 horses)	12	5 each	N/A	1
Dead-heat 2 nd (3 horses)	12	3.6 each	N/A	N/A
Dead-heat 3 rd (2 horses)	12	6	2.5 each	N/A
Dead-heat 3 rd (3 horses)	12	6	1.6 each	N/A
Dead-heat 4 th (2 horses)	12	6	4	0.5 each
Dead-heat 4 th (3 horses)	12	6	4	0.3 each

- 1.1.4 If the number of horses involved in a dead-heat is not specified above the Jockey Challenge Points assigned to the Jockeys riding the 1st, 2nd, 3rd and 4th placed horses will be made on the same proportional basis set out above.
- 1.1.5 For the avoidance of doubt, Jockey Challenge points will be assigned to **the** Jockey declared **to ride the horse on the official race** card but not actually riding the 1st, 2nd, 3rd or 4th placed horse in a race.
- 1.1.6 In the event that a jockey has been declared non participant before his first ride then all bets placed on that jockey will be considered void and all bets refunded. All bets will run on the remaining jockeys as normal.

1.2 Declaration of winners of a Jockey Challenge

- 1.2.1 The Named or other Jockeys who have collected the most Jockey Challenge points at a race meeting will be declared the winner.
- 1.2.2 In the event that there is more than one jockey who has collected the most Jockey Challenge points, the winner will be:
- The jockey having ridden the most winners
 - In case 2 jockeys have ridden the same no.of winners then the jockey having ridden the most 2nd places

CHAPTER 4**General**

4.1 All forms of betting conducted by the company upon the totalisator shall be subject to these rules and the provisions of the Gambling Regulatory Authority Act 2007 and such regulations as may be made thereunder.

4.2 **Applicability of rules**

These rules shall apply to the company and to every person placing a bet on any totalisator conducted by the company.

Nothing in these rules shall be construed as placing an obligation on the company to offer any specific form of betting upon the totalisator.

4.2.1 **Tax and Company's Commission**

The Government Tax and Company's Commission shall be deducted from every gross pool before the calculation of any dividend, and the distribution of gross pool shall be as follows:

	<u>Win and Place</u> <u>Bets</u>	<u>Other Bets</u>
	%	%
Government Tax	8	10
Company's Commission	14	17
Winning Punters	78	73

4.2.2 The Company may, with the approval of the Gambling Regulatory Authority, as established under the Gambling Regulatory Authority Act 2007, amend the percentage relating to the gross pool which becomes payable to winning punters participating in any form of betting provided that:

- (i) the percentage of the gross pool which becomes payable to winning punters shall not be less than 78% for Win and Place bets and 73% for other bets.
- (ii) any increase in the percentage of gross pool which becomes payable to winning punters shall be borne by the Company from the Commission that it may retain in consideration for the organisation of betting upon the totalisator.

4.2.3 The decision of the company to amend the above percentages shall not be construed as giving to the winning punters or entitling them to an acquired right in the said increased percentages.

CHAPTER 5**Dividends and tickets**

- 5.1 All dividends shall be calculated on the net pool to the completed Re1.00 (One Rupee).
- 5.2 Immediately after the amounts of dividends are ascertained they shall be displayed in the places provided for that purpose but NO payment of dividends shall take place until the official results of the events has been confirmed in writing by the Club.
- 5.3 The official results as confirmed by the club shall be final and binding on all ticket holders irrespective of any decision afterwards which may affect the results.
- 5.4 Dividends and refunds will only be paid on presentation of valid tickets and are payable to bearer only.
- 5.5 No claim for a dividend or refund will be entertained in respect of a lost or mutilated or branded or defaced or damaged or paid or cancelled ticket.
- 5.6 Subject to the provisions of these rules the company will not be bound to entertain claims for payment of a dividend or for a refund unless made within 30 days of the date of the corresponding race meeting. Unclaimed funds shall be paid to the National Solidarity Fund.
- 5.7 No complaint either with regard to the correctness of a ticket, the correctness of change, or the payment of a dividend or refund will be entertained unless such complaint is made before the complainant leaves the counter of the terminal.
- 5.8 No punter shall be authorised to cancel a bet and no teller shall cancel a bet unless such cancellation is made before the punter leaves the counter of the terminal.
- 5.9 The sale of tickets shall continue until the closing of bets.
- 5.10 Every punter shall specify the number in the Race Card for the meeting and not the name of any participant and shall signify the event and type of bet.
- 5.11 Betting tickets shall be printed on the official stationery of the Company and shall be inscribed with the particulars set out in rule 3.31.

CHAPTER 6

Limitation of Liability

- 6.1 The Company or any employee shall not be liable for damage resulting from any negligent or grossly negligent act or omission relating to any form of betting for which they are not responsible either directly, vicariously or in any way and in particular none of the aforementioned shall be liable for damage either directly, vicariously or in any other way for the loss, destruction or disappearance of any valid ticket.
- 6.2 Should the company declare all bets off, all tickets will be refunded.
- 6.3 The only proof of investment in a Totalisator is the valid ticket and the computer record of that ticket, and no action either in contract or tort of any nature whatsoever may be instituted against the Company for the payment of a dividend unless the valid ticket and its computer record exist and are in the possession of the punter and the Company respectively at the time of making the claim and it may be proved that such valid ticket and record are at all material times in the possession of the punter and the company respectively.
- 6.4 **Employees**
- No employee who is on duty on any day on which bets are received for a particular event shall participate, either directly or indirectly, in any way whatsoever in any type of betting conducted by the company upon the Totalisator
- 6.5 **Interpretation of these rules**
- 6.5.1 In any dispute regarding the meaning and interpretation of these rules, the meaning and interpretation placed thereon by the Company shall be final and binding. Every punter shall be deemed to have acquainted himself with these rules and to have agreed to be bound thereby.
- 6.5.2 Where any matter not provided for in these rules arises, the decision of the Company shall be final and binding after consultation with the G.R.A.
- 6.5.3 The company shall in its absolute discretion decide any dispute arising in any way whatsoever from the conduct of any type of betting upon the Totalisator and in particular its decision as to the validity of any claim to participate in any dividend shall be final and conclusive between the Company and anyone who has placed a bet or claims to have placed a bet upon the Totalisator with the Company after consultation with the G.R.A.
- 6.6 No bet shall be placed by any person under the age of 18 years.
- 6.7 The Win and Place Pools upon the Totalisator (except as provided in rules 3.2 and 4.2) will operate on every event whilst the Race Card will specify the events on which any other form of betting upon the Totalisator will operate; the Company shall have power to vary the above arrangements and to give notice thereof by means of notices and announcements given upon the Race Course after consultation with G.R.A.
- 6.8 These rules may be amended by the Company subject to the prior approval of the

Gambling Regulatory Authority as established under the Gambling Regulatory Authority Act 2007.

CHAPTER 7

Win Totalisator

7.1 The purpose of the Win Pool Totalisator is to select the winner of a specified event.

7.2 **The unit value of a bet shall be Rs10.00 (ten rupees).**

7.3 The dividend shall be determined by dividing the Net Pool by the number of units on the winning participant.

7.4 Notwithstanding the provisions of rule 7.3, whenever two or more participants dead heat for first place, the dividend payable shall be calculated in the following manner:

The Net Pool shall be divided into as many equal portions as there are dead-heaters, and each such portion shall then be divided by the number of units on each of the dead-heaters.

7.5 In the case of there being no bets on the winning participant/s the NET POOL shall be carried forward, and added to the same NET WIN POOL of the Company for the same event of the following meeting.

7.6 In the Win Totalisator the following minimum dividends are guaranteed:

Outright win	Rs 11.00
Dead Heat	Rs 5.50
Triple Dead Heat	Rs 3.30
Four Way Dead Heat	Rs 2.20

CHAPTER 8

Place Totalisator

- 8.1 The purpose of the Place Totalisator is to select in a specified event a participant placed either:
- (a) first or second when there are four or five participants.
 - (b) first or second or third when there are six or more participants.
- 8.2 Dividends shall be paid in respect of participants placed:
- (a) first and second when there are four or five participants;
 - (b) first, second and third where there are six or more participants.
- 8.3 The Place Pool Totalisator shall operate on any event with four or more participants
- 8.4 **The unit value of a bet shall be Rs 10.00 (ten rupees).**
- 8.5 The dividends shall be determined by dividing the Net Place Pool into as many portions as there are participants placed as specified in rule 8.2.
- 8.6 The portions shall be divided respectively by the number of units on each of the placed participants and the results so obtained shall be the dividend payable.
- 8.7 Dividends shall not be declared at less than the unit value of bets except in the case of dead-heaters.
- 8.8 For the purpose of the calculation of dividends in the case of dead-heaters,
- (a) Where there are four or five participants,
 - (i) participants dead-heating for the first place shall be deemed to have filled the first and second place,
 - (ii) participants dead-heating for the second place shall be deemed to have filled the second place jointly,
 - (b) Where there are six or more participants,
 - (i) participants dead-heating for the first place shall be deemed to have filled the first and second places
 - (ii) participants dead-heating for the second place shall be deemed to have filled the second and third places, and
 - (iii) participants dead-heating for the third place shall be deemed to have filled the third place jointly.

- 8.9 When there is a dead-heat for any place, the dividend on the dead-heaters shall be calculated by dividing whatever part of the Place Pool as relates to the dead-heaters by the number of participants which have been dead-heated and then by the number of unit bets on each of the participants.
- 8.10 In the event of there being NO tickets on one or more of the placed participants, their portion of the Net Pool shall be apportioned equally amongst the placed participants on which there are tickets.
- 8.11 In the event of there being NO tickets on any of the placed participants the NET POOL shall be carried forward and added to the same NET PLACE POOL of the Company for the same event of the following meeting.
- 8.12 Refunds will be made on ALL scratched selections.
- 8.13 In the Place Totalisator a minimum dividend of Rs 10.00 (ten rupees) is guaranteed except in some cases of dead heats. Whenever a dead heat results in the payment of more Place dividends than are provided for in Rule 8.2, then the following minimum dividends are guaranteed, only for dividends on the horses involved in the dead heat:
- | | |
|---|---------|
| When there is one more Place dividend than normal: | Rs 5.00 |
| When there are two more Place dividends than normal: | Rs 3.00 |
| When there are at least three more Place dividends than normal: | Rs 2.00 |

CHAPTER 9**Exacta Totalisator**

- 9.1 The purpose of the Exacta Totalisator is to select the participants finishing First and Second in a specified event, in the exact order in which they finish.
- 9.2 Dividends shall be paid in respect of participants finishing First and Second, in the exact order in which they finish.
- 9.3 **The unit value of a bet shall be Rs 10.00 (Ten rupees).**
- 9.4 The dividend shall be determined by dividing the Net Exacta Pool by the number of winning units.
- 9.5 In the event of two or more participants dead-heating for First or Second place resulting in more than one winning combination, the Net Pool shall be divided into as many equal portions as there are winning combinations, each such portion shall then be divided by the number of units invested on each of the combinations.
- 9.6 In the event of there being NO tickets on the winning combination the Net Pool shall be carried forward and added to the same NET EXACTA POOL of the company for the same event of the following meeting.
- 9.7 The Exacta Totalisator shall operate on any event with three or more participants.
- 9.8 In the Exacta Totalisator a minimum dividend of Rs 11.00 (eleven rupees) is guaranteed except in the case of dead heats. Where more than one dividend is payable no minimum dividend is guaranteed.

CHAPTER 10

Swinger Totalisator

- 10.1 The purpose of the Swinger Totalisator is to select any two participants finishing in the first three places irrespective of the order in which they finish.
- 10.2 Dividends shall be paid in respect of participants finishing:
- (a) First and second
 - (b) First and third
 - (c) Second and third,
- irrespective of order, each combination to receive an equal share of the Net Swinger Pool.
- 6.2.1 Where four or five participants start in a Swinger Totalisator, dividends shall be paid in respect of participants placed First and Second only irrespective of order.
- 10.3 **The unit value of a bet shall be Rs 10.00 (ten rupees).**
- 10.4 The dividends shall be determined by dividing the respective portions of the Net Pool by the number of units on each of the winning combinations.
- 10.5 For the purpose of the calculation of dividends in the case of dead-heat:
- (a) between two participants for the first place, they shall be deemed to have filled first and second places
 - (b) between three participants for the first place, they shall be deemed to have filled first, second and third places
 - (c) between two participants for the second place, they shall be deemed to have filled second and third places.
- 10.6 Where three participants dead-heat for second place, the winning combinations shall be the first participant coupled with any one of the dead-heaters and a coupling of any two of the dead-heaters.
- 10.7 Where there is a dead-heat for the third place, the winning combinations shall be the first participant coupled with the second participant, the first participant coupled with any one of the dead-heaters, the second participant coupled with any one of the dead-heaters.
- 10.8 Notwithstanding the provisions of rule 10.4, whenever paragraph 10.6 applies, the dividends shall be calculated by dividing the Net Pool into as many parts as there are winning combinations and the parts respectively by the number of units on each such combination.

- 10.9 Notwithstanding the provisions of rule 10.4, whenever paragraph 10.7 applies, the dividends shall be calculated in the following manner:
- One third of the Net Pool shall be divided by the number of unit bets on the 1st and 2nd place participants.
 - The balance of the net pool shall be divided into as many parts as there are winning combinations and the parts respectively by the number of units on each such combination
- 10.10 In the event of there being NO tickets on one or more winning combination, the Net Pool shall be divided among the remaining winning combinations.
- 10.11 In the event of there being NO tickets on any of the winning combinations the Net Pool shall be carried forward and added to the same NET SWINGER POOL of the company for the same event of the following meeting.
- 10.12 The Swinger Totalisator may operate on any event with four or more participants.
- 10.13 In the Swinger Totalisator a minimum dividend of Rs11.00 (eleven rupees) is guaranteed except in the case of dead heats which require more than three dividends to be paid in terms of rules 10.6 and 10.7 in which case no minimum dividends is guaranteed.

CHAPTER 11

Trifecta Totalisator

- 11.1 The purpose of the Trifecta Totalisator is to select any three participants to finish first, second and third in that order in a Trifecta Totalisator event as designated in the Race Card.
- 11.2 **The unit value of a bet shall be Rs10.00 (Ten rupees).**
- 11.3 The dividend shall be calculated by dividing the Net Trifecta Pool into as many equal portions as there are winning combinations and each such portion shall then be divided by the number of unit bets on each of the combination.
- 11.4 In the event of there being no tickets on any of the winning combinations the Net Pool for that winning combination shall be carried forward and added to the same **NET TRIFECTA POOL** of the Company for the same event of the following meeting.
- 11.5 In the event of a dead-heat for the first place, the winning combinations shall be the dead-heaters and the participant placed third.
- 11.6 In the event of a dead-heat for the second place the winning combinations shall be the participant placed first with any two of the dead-heaters.
- 11.7 In the event of a dead-heat for the third place, the winning combinations shall be the participants placed first and second with any of the dead-heaters.
- 11.7 The Trifecta Totalisator may operate on any event with three or more participants.

CHAPTER 12
